Giving Kids Sports, Globally

East Lyme Soccer Association

And Sports Gift

Are working together to offer the

East Lyme Soccer Equipment Collection

What is the Program? Sports Gift is a not-for-profit agency that is dedicated to bringing the joy and benefits of sports to underprivileged children throughout the world. Sports promote health and exercise, provide important life lessons in such things as goal setting, hard work, fair play and teamwork and give us a safe arena to enjoy the thrills and challenges of competition. Unfortunately, many children in poverty stricken areas will never have the opportunity to enjoy sports without the support of Sports Gift and generous people like you.

How does it work? Your old soccer equipment can make a difference in a child's life. We take your old equipment, refurbish it and donate it to underprivileged children all over the world. Our donation reach is as close as Southeastern Connecticut and as far as Mexico, Central America, Africa, Indonesia and the Middle East. This program costs you nothing; we only ask you to consider donating soccer equipment that you no longer use.

What Equipment Can I Donate? We will accept all types of soccer equipment including the following gently used and new items:

- Soccer balls
- Soccer uniform supplies (jerseys, shorts and socks)
- Cleats
- Shin Guards
- Goalie gloves and jerseys
- Air pumps for balls and needles
- Coaching supplies (practice pennies, orange training cones, first aid kits, whistles, etc.)
- Warm Up suits
- Ball and equipment bags

When And Where Can I Drop Off My Donation? We will have a collection table at the travel team tryouts on May 27 & May 28 between 5:30 and 9:30.

Cash contributions to cover the cost of shipping the equipment are gratefully accepted. Sports Gift is a 501(c)3 not-for-profit organization.

Who Can I Contact With Questions? Please contact **Heather Parsons-**
